## 2026 PORT OF SKAGWAY CRUISE SHIP SCHEDULE

Based on information available 3/2/26

PHOTO: ANDREW MILLER

Dear Port Users,

As we prepare for the 2026 season, this year's cruise ship schedule continues to serve as a key resource for planning and coordinating daily port operations.

The schedule provides estimated visitor volumes and ship activity to support businesses, transportation providers, tour operators, and community partners as they plan for the rhythm of each day. It also includes notable community events supplied by the Skagway Visitor Department to help ensure alignment between port activity and events throughout town.

Thank you to all who contribute to maintaining a safe, efficient, and responsive port. Your continued collaboration is essential to supporting both a successful visitor season and a strong community.

Thank you,

Cody Jennings, Port Director
