May 13, 2021

Public Notice RE: Pfizer COVID-19 Vaccine for Children Aged 12-15

Per State and CDC notification, DMC can now vaccinate children aged 12-15 with the Pfizer vaccine. Vaccinations for this age group will start next week. The second shot of the series occurs at least 3 weeks after the first. A parent must accompany the child being vaccinated.

For more information:
   The State of Alaska DHSS press release can be found here.
   A COVID-19 Vaccine for Youth informational discussion by DHSS can be found on Facebook here.
   A COVID-19 Vaccine discussion for youth by youth is happening tonight, Thursday, May 13th, at 6:30pm. The Zoom link can be found here.
   These links will also be posted to the clinic’s Facebook page.

If you have questions about the Pfizer vaccine for your 12-15 year old child or to place your child on the waitlist please call the clinic at (907) 983-2255 or email clinicinfo@skagway.org.
