

# SKAGWAY PORT MASTER PLAN

## MASTER PLAN PRESENTATION

**NOW FULLY VIRTUAL** via Microsoft TEAMS on Wednesday, February 10th at 5:30 PM.

(The in-person component has been cancelled due to evolving COVID-19 safety concerns).

Join PDC Engineers and the Municipality of Skagway for a presentation of revised concepts being developed for the waterfront through the Skagway Port Master Plan process. Initial concepts shared at the November Design Charrette have been updated based on feedback from the community and waterfront stakeholders and will be presented at this meeting. PDC Engineers technical staff will be on hand virtually to answer any questions that attendees have about the concepts presented, and to gather community feedback.
