Dear Mayor Cremata:

Re: Nomination of a New Yukon Territory Liaison to the Skagway Ports and Harbors Advisory Board

Thank you for your continued commitment to collaboration on planning for the future of the Port of Skagway. On behalf of the Government of Yukon, I would like to nominate a new representative, Bryce Aubrey, Senior Policy Advisor with the Department of Economic Development, to act as the Yukon Territory Liaison to the Ports and Harbors Advisory Board. Bryce will replace Kevin Hannam, who has assumed responsibility for the internal trade file for the Yukon. Bryce’s contact information is as follows:

As you are aware, the Port of Skagway is a key gateway to global markets for Yukon mining companies. It is also a crucial entry point for tourists visiting our territory, for inputs into Yukon’s mining sector, including fuel and for other goods entering the Yukon, making the future of the Port of Skagway an issue of significant strategic importance to both of our jurisdictions.

I look forward to continuing to work closely with yourself, municipal officials and the Municipality of Skagway on ensuring that the Port of Skagway remains viable and accessible for a spectrum of users, including tourism, transportation and industry as Skagway considers options for port redevelopment.

Sincerely,
