Dear Chief JJ Reddick and Mayor Andrew Cremata,

It is that busy time of year again and it's time to start planning my summer events. This year with Skagway hosting the Royal Caribbean President's Cruise, The Station Bar & Grill would like to host an additional block party on Monday, June 27, 2022. I have already begun planning for one of these events and I am requesting the city's permission to block off the part of 4th Street directly in front of the Station Bar & Grill for this event.

In the 18 years, I have thrown these types of events, I have had no objections from any of my neighbors or community members. Moreover, I have never had any problems with the Skagway Police Department during any of these events.

Please let me know if there is anything else you need from me or if you have any questions at all. Thank you for taking the time to consider my request. Have a great day.

Sincerely,

Elizabeth F. Smith/Owner
