MUNICIPALITY OF SKAGWAY

14 June 2022

Hello Mayor Cremata and Assembly members,

We are writing in support of Resolution No. 22-18R which designates a portion of USS 994, Lot 1 for use as a Community Garden, and also support the effort to establish non-profit status for such a project.

The current Community Garden on Alaska Street has been operating successfully for many years, but the benefits of having room to grow and expand in this new location is a most welcome opportunity. Historically this parcel has been a successful garden site; to revive it would be a very appropriate use of the land.

Thank you,

A handwritten signature in blue ink, appearing to read "Jeanie W. Vogel" followed by a second signature that looks like "D.V.". The ink is cursive and somewhat stylized.

Jeanie and Dave Vogel
