

# Municipality of Skagway

## MEMO

<b>TO:</b>	Mayor and Assembly
<b>FROM:</b>	Brad Ryan, Borough Manager
<b>DATE:</b>	July 20, 2022
<b>SUBJECT:</b>	Approval of Police Department Analysis/Audit Proposal

McGrath Consulting Group has submitted a proposal for an analysis/audit of the Police Department. McGrath's consultant Ron Moser and team would conduct a professional external analysis/audit of the department to evaluate the current operations and culture of the organization, in order to identify both operational and internal strengths and challenges. The team would then provide recommendations to assure efficient and effective public safety services are being conducted in a positive and productive work environment.

McGrath successfully completed this analysis for the Fire Department early this year, and the next step for the Municipality is to move forward with an analysis of the Police side of our public safety operations. After the analysis is complete, it is the Municipality's intention to conduct regular audits of the departments to maintain the organization's continued success.

Staff recommends the Assembly consider a motion **to approve the proposal for an Analysis/Audit of the Police Department by McGrath Consulting Group, in the amount of \$55,277.**
