Brad, Mayor Cremata, and Members of the Skagway Assembly:

Thank you for the opportunity to participate in the Special Assembly meeting last Friday. It was helpful to hear the discussion live and have the ability to answer your questions.

The leadership team at SEARHC is looking forward to the next step in the process. We are working on drafts of the lease and purchase agreements with the goal to have these documents to you for review within the next couple of weeks. With that timeline in mind, I plan to be in Skagway on Thursday, August 25 with two members of our clinic operations team – Ashley Simpson and Noble Johnston.

Brad, it is our hope that during this visit, we are able to:

1. Discuss the terms of both agreements.
2. Provide our operational leadership the opportunity to spend a good part of the day in the clinic to do a tour, meet the clinic providers and team, and learn more about the operations of the clinic and content of the Coors assessment.

This visit will hopefully help us to move forward with finalizing the two agreements and help our operations team continue their planning should the two agreements be approved at an upcoming Assembly meeting.

Please confirm as soon as possible if the proposed date of August 25 will work for this site visit.

Thank you,
Heidi
