June 9, 2022

Dear Chief JJ Reddick and Mayor Andrew Cremata,

It is that busy time of year again and it's time to start planning my summer events. For the last 18 years I have thrown two annual block parties – one on the Fourth of July and the second on the last ship day of the season. I have already begun planning for one of these events and I am requesting the city's permission to block off the part of 4th Street directly in front of the Morning Wood Hotel and the Station Bar & Grill for this event: The Third & Fourth of July Festivities from 1 pm on 7/3/21 thru 9 am on July 5, 2021. To remind you, the reason for the length of the street closure over the Third and Fourth of July Event, is because we do back to back street parties on those days and the equipment used to block the street off is unavailable until 8 am on the 5th. This length of closure has been approved for me for the last 7 years.

In the 18 years, I have thrown these events, I have had no objections from any of my neighbors or community members. Moreover, I have never had any problems with the Skagway Police Department during any of these events.

I am also requesting permission for a noise permit for the following dates: July 3, 2021 and July 4, 2021. We will be having live music outdoors, throughout the day and evening. The outdoor music will end no later than midnight for all events. I have notified most of my neighbors and I have not yet had any objections to either the outdoor music or street closure. I will continue to try and personally notify any neighbors who as of today, I have been unable to reach.

Please let me know if there is anything else you need from me or if you have any questions at all. Thank you for taking the time to consider my request. Have a great day.

Sincerely,

Elizabeth F. Smith/Owner
