If the Bonds are sold in more than one series, the Bonds issued in all series issued pursuant to this Resolution shall provide no more than \$65,000,000 (principal amount plus premium, if any, less costs of issuance) in net proceeds or \$65,000,000 in principal amount, whichever is less.

**Section 5. Interest on the Bonds shall be paid by check or draft of the Bond Registrar mailed (on the date such interest is due) to the Registered Owners or nominees at the addresses appearing on the Bond Register on the fifteenth day of the month preceding each interest payment date. Principal of the Bonds shall be payable upon presentation and surrender of the Bonds to the Bond Registrar by the registered owners or nominees at the office of the Bond Registrar. Notwithstanding the foregoing, so long as the Bond Bank is the Registered Owner of the Bonds, payments of principal of and interest on the Bonds shall be made to the Bond Bank in accordance with each Loan Agreement.

The Bonds may be transferred only on the Bond Register maintained by the Bond Registrar for that purpose upon the surrender thereof by the registered owner or nominee or his/her duly authorized agent and only if endorsed in the manner provided thereon, and thereupon a new fully registered Bond of like series, principal amount, maturity and interest rates shall be issued to the transferee in exchange therefor. Upon surrender thereof to the Bond Registrar, the Bond is interchangeable for a bond or bonds in any authorized denomination of an equal aggregate principal amount and of the same series, interest rates and maturities. Such transfer or exchange shall be without cost to the Registered Owner or transferee.

The Borough may deem the person in whose name each Bond is registered to be the absolute owner thereof for the purpose of receiving payment of the principal of and interest on such Bond and for any and all other purposes whatsoever.

Each official notice of prepayment shall be dated and shall state: (i) the prepayment date, (ii) the prepayment price or prepayment premium, if any, payable upon such prepayment; (iii) if less than all of an installment of principal is to be prepaid, the principal amount to be prepaid (which must be an integral multiple of \$5,000); (iv) that the interest on the Bonds, or on the principal amount thereof to be prepaid, designated for prepayment in such notice, shall cease to accrue from and after such prepayment date; and (v) that on such date there will become due and

payable on the Bonds the principal amount thereof to be prepaid and the interest accrued on such principal amount to the prepayment date.

**Section 7. Priority of Payments from Port Enterprise Fund.** There is maintained a special revenue fund of the Borough known as the “Port Enterprise Fund” into which all Port Enterprise Fund Revenues are deposited. All Port Enterprise Fund Revenues shall be deposited in the Port Enterprise Fund. The Port Enterprise Fund shall be held separate and apart from all other funds and accounts of the Borough and the Port Enterprise Fund Revenues deposited in such Fund shall be used only for the following purposes and in the following order of priority:

First, to pay costs of operations and maintenance of the Port Facilities;

Second, to pay the interest on any Parity Bonds, including reimbursements to the issuer of a Qualified Letter of Credit or Qualified Insurance if the Qualified Letter of Credit or Qualified Insurance secures the payment of interest on Parity Bonds and the proceedings authorizing such Parity Bonds provides for such reimbursement;

Third, to pay the principal of any Parity Bonds, including reimbursements to the issuer of a Qualified Letter of Credit or Qualified Insurance if the Qualified Letter of Credit or Qualified Insurance secures the payment of principal of Parity Bonds and the proceedings authorizing such Parity Bonds provides for such reimbursement;

Fourth, to make all payments required to be made into the Reserve Account to secure the payment of the principal of and interest on the Bonds and to make all payments required to be made into any reserve account hereafter established to secure the payment of the principal of or interest on any Future Parity Bonds, including reimbursements to the issuer of a Qualified Letter of Credit or Qualified Insurance if the Qualified Letter of Credit or Qualified Insurance fulfills the Reserve Requirement in whole or in part and the proceedings authorizing such Parity Bonds provides for such reimbursement;

Fifth, to make all payments required to be made into any revenue bond redemption fund or revenue warrant redemption fund and debt service fund or reserve fund created to pay and secure the payment of the principal of and interest on any other revenue bonds or revenue warrants of the Borough having a lien upon the Port Enterprise Fund Revenues junior and inferior to the lien thereon for the payment of the principal of and interest on Parity Bonds; and

Sixth, to retire by redemption or purchase any outstanding revenue bonds or revenue warrants of the Borough, remaining Port Enterprise Fund Revenues may also be used to make necessary additions, betterments, improvements and repairs to or extensions and replacements of the Port Facilities, or for any other lawful Borough purposes.

**Section 8. Bond Fund.** A special account of the Borough designated as the “Port Revenue Bond Debt Service Account” (the “Bond Fund”) is hereby authorized to be created in the office of the Chief Fiscal Officer for the purpose of paying and securing the payment of the Bonds and all Parity Bonds. The Bond Fund shall be held separate and apart from all other accounts of the Borough and shall be a trust account for the owner of Parity Bonds. The Bond Fund shall be

divided into two separate accounts: a Principal and Interest Account for the payment of the principal of and interest on Parity Bonds and the payment of redemption premium, if any, whether due at maturity or redemption prior to maturity and a Reserve Account for the purpose of additionally securing the repayment of Parity Bonds.

(a) *Payments Into Principal and Interest Account.* The Chief Fiscal Officer may direct all or a portion of the original issue premium to be deposited in the Principal and Interest Account.

As long as any Parity Bonds remain outstanding, the Borough hereby irrevocably obligates and binds itself to set aside and pay from the Port Enterprise Fund into the Principal and Interest Account those amounts necessary, together with such other funds as are on hand and available in the Principal and Interest Account, to pay the interest or principal and interest next coming due on outstanding Parity Bonds. Such payments from the Port Enterprise Fund shall be made on or prior to the due date for such installment of principal and interest.

*Additionally*, while the Bonds are outstanding, the Borough hereby irrevocably obligates and binds itself to set aside from State-shared Commercial Passenger Vessel Excise Tax revenue (“CPV revenue”) deposited into the Excise Tax Special Revenue Fund such amounts as the Chief Financial Officer determines are necessary to meet the Rate Covenant in each fiscal year. The Borough shall deposit such CPV revenues to the Port Enterprise Fund as Port Enterprise Fund Revenues.

(b) *Priority of Lien of Payments into Principal and Interest Account.* Said amounts so pledged to be paid into the Bond Fund with respect to the Bonds are hereby declared to be a prior lien and charge upon the Port Enterprise Fund Revenues superior to all other charges of any kind or nature whatsoever except for costs of operation and maintenance; except that the amounts so pledged are of equal lien to the lien and charge thereon of any Future Parity Bonds.

(c) *Reserve Account.* A Reserve Account (the “Reserve Account”) is hereby authorized to be created in the Bond Fund for the purpose of securing the payment of the principal of and interest on all Parity Bonds. The Borough hereby covenants to deposit into the Reserve Account on the date of issuance of the Bonds from Bond proceeds and/or from funds of the Borough legally available therefor an amount equal to the Reserve Requirement with respect to the Bonds.

The Borough further covenants and agrees that when said required deposits have been made into the Reserve Account, it will at all times maintain therein an amount at least equal to the Reserve Requirement with respect to all outstanding Parity Bonds. Whenever there is an insufficient amount in the Bond Fund, including the Reserve Account and the Principal and Interest Account to pay the principal of and interest on all outstanding Parity Bonds when due, the money in the Reserve Account may be used to pay such principal and interest. Money in the Reserve Account may be withdrawn to redeem and retire, and to pay the interest due to such date of redemption on any outstanding Bonds, so long as the money left remaining on deposit in the Reserve Account is equal to the Reserve Requirement with respect to all outstanding Parity Bonds.

The Borough may satisfy the Reserve Requirement, in whole or in part with a Qualified Letter of Credit or Qualified Insurance. In making the payments and credits to the Reserve Account required by this subsection (c), to the extent that the Borough has obtained Qualified Insurance or a Qualified Letter of Credit for specific amounts required pursuant to this section to be paid out of the Reserve Account, such amounts so covered by Qualified Insurance or a Qualified Letter of Credit shall be credited against the amounts required to be maintained in the Reserve Account by this subsection (c) to the extent that such payments and credits to be made are insured by an insurance company, or guaranteed by a letter of credit from a financial institution. A Qualified Letter of Credit shall not be cancelable on less than 30 days' notice to the Borough, and Qualified Insurance shall be noncancellable. In the event of any cancellation of a Qualified Letter of Credit, the Reserve Account shall be funded in accordance with the third paragraph of this subsection (c) as if the Parity Bonds for whose benefit the Qualified Letter of Credit was issued which then remain outstanding had been issued on the date of such notice of cancellation.

In the event that the Borough elects to meet the Reserve Requirement through the use of a Qualified Letter of Credit, Qualified Insurance or other equivalent credit enhancement device, the Borough may contract with the entity providing such Qualified Letter of Credit, Qualified Insurance or other equivalent credit enhancement device that the Borough's reimbursement obligation, if any, to such entity shall be made from Port Enterprise Fund Revenues available after the payments described in Paragraphs Second through Fourth in Section 7 hereof have been made.

In the event a deficiency in the Principal and Interest Account shall occur, the deficiency shall be made up from the Reserve Account by the withdrawal of cash therefrom for that purpose and by the sale or redemption of obligations held in the Reserve Account, if necessary, in such amounts as will provide cash in the Reserve Account sufficient to make up any such deficiency, and if a deficiency still exists immediately prior to an interest payment date and after the withdrawal of cash, the Borough shall then draw from any Qualified Letter of Credit, Qualified Insurance, or other equivalent credit facility that secures the Parity Bonds in sufficient amount to make up the deficiency. Such draw shall be made at such times and under such conditions as the agreement for such Qualified Letter of Credit or such Qualified Insurance shall provide. Any deficiency created in the Reserve Account by reason of any such withdrawal shall then be made up within one year of the date of withdrawal from Port Enterprise Fund Revenues after making necessary provision for making the payments described in Paragraphs Second through Fourth in Section 7 hereof.

(d) *Application and Investment of Moneys in the Bond Fund.* Money in the Principal and Interest Account not needed to pay the interest or principal installment and interest next coming due on Parity Bonds may be used to prepay Parity Bonds. Money in the Bond Fund therein may be invested in any legal investment for the funds of the Borough. All interest earned and income derived by virtue of such investments shall remain in the Bond Fund (or respective account therein) and be used to meet the required deposits into any account therein.

**Section 9. Sale of Bonds.** The Designated Representative or his/her designee is authorized to negotiate and complete the sale of the Bonds in one or more series to the Bond Bank on terms and conditions consistent with this Resolution and the respective Loan Agreement for the Bonds. Following the sale of the Bond Bank Bonds for a series of Bonds, such terms and

conditions, including the final principal amount, date, principal installment payment schedule, interest rates, payment dates and prepayment provisions, all as provided for in this Resolution, shall be set forth in a Loan Agreement, all subject to the Assembly's approval by resolution, which resolution may, at the option of the Assembly, provide for delegation within parameters approved by the Assembly.

**Section 10. Undertaking to Provide Ongoing Disclosure.** The Borough will execute a certificate for ongoing disclosure in form and substance satisfactory to the purchaser of the Bonds, and the Borough Manager or his/her designee is hereby authorized and directed to execute such certificate.

**Section 11. Insurance.** The Bond Bank may, with the consent of the Borough and on terms and conditions acceptable to the Borough, obtain a policy of municipal bond insurance guaranteeing the payment when due of the principal of and interest on a series of the Bond Bank's Bonds issued to provide funds for the loan to the Borough pursuant to a Loan Agreement. By the Loan Agreement, the Borough Manager or his/her designee may approve any such policy of municipal bond insurance and authorize all other officers, agents, attorneys, and employees of the Borough to cooperate with the bond insurer in preparing such additional agreements, certificates, and other documentation on behalf of the Borough, consistent with this Resolution, as shall be necessary or advisable in providing for such policy of municipal bond insurance.

The Borough Manager or his/her designee also may obtain a surety policy in order to satisfy the Reserve Requirement on the condition that the surety policy meets the requirements of Qualified Insurance on terms and conditions determined to be acceptable to the Borough Manager or his/her designee. The Borough Manager or his/her designee may execute such additional agreements or certificates and provide such documentation to the issuer of such surety policy as shall be necessary or advisable in providing for such surety policy.

In connection with the initial issuance and sale of the Bonds to the Bond Bank, and notwithstanding the provisions of Section 19 of this Resolution to the contrary, the Assembly may by resolution modify any of the covenants or other provisions of this Resolution as may be required by a provider of bond insurance or a surety policy for the Bond Bank's Bonds.

**Section 12. Disposition of Proceeds of the Bonds.** The Chief Fiscal Officer may direct that all or a portion of the original issue premium also be deposited in the Principal and Interest Account. Unless the Reserve Requirement is satisfied with a Credit Facility or other port revenues, a portion of the Bond proceeds in the amount designated by the Chief Fiscal Officer shall be deposited in the Reserve Account in order to meet the Reserve Requirement. The Borough shall maintain a fund or account for the Governmental Components (the "Governmental Project Fund"), if any, and a fund or account for the Private Activity Components (the "Private Activity Project Fund"). The balance of the proceeds of sale of the Bonds of a series shall be deposited in the Governmental Project Fund or the Private Activity Project Fund, as applicable, or a subaccount therein and shall be expended solely to pay the cost of issuing and selling that series of Bonds and, together with other available moneys of the Borough, shall be used to reimburse the Borough for funds already distributed for the costs of the Governmental Components or the Private Activity Components, respectively, and to pay the costs of completing the Governmental Components or the Private Activity Components, as the case may be. Money in the Governmental Project Fund

and the Private Activity Project Fund shall be invested by the Chief Fiscal Officer, pending disbursement, in any legal investment for Borough funds, and interest earnings shall be deposited in the respective Project Fund.

**Section 13. Defeasance.** In the event that money and/or noncallable Government Obligations maturing or having guaranteed redemption prices at the option of the holder at such time or times and bearing interest to be earned thereon in amounts (together with such money, if any) sufficient to redeem and retire part or all of the Bonds in accordance with the its terms, are hereafter irrevocably set aside in a special account and pledged to effect such redemption and retirement, then no further payments need be made into the Bond Fund or any account therein for the payment of the principal of and interest on the Bonds or portion thereof so provided for and the Bonds or portion thereof shall then cease to be entitled to any lien, benefit or security of this Resolution, except the right to receive the accounts so set aside and pledged, and the Bonds or portion thereof shall no longer be deemed to be outstanding hereunder.

**Section 14. Specific Covenants.** The Borough hereby covenants and agrees with the owners of the Bonds that for as long as the Bonds remain outstanding as follows:

(a) *Rate Covenant.* The Borough will maintain the rates established in the ordinance and resolution authorizing and imposing the fees that constitute the Port Enterprise Fund Revenues and will collect such amounts, together with the CPV revenues pledged in Section 8, for so long as any Bonds are outstanding as will maintain the Rate Covenant. Nothing in this Rate Covenant shall preclude the Borough from increasing the fees or otherwise modifying the Port Enterprise Fund as long as there is a net increase in the Port Enterprise Fund as a result of such modification.

(b) *Port Facilities Maintenance.* The Borough will at all times maintain and keep the Port Facilities in good repair, working order and condition, and also will at all times operate such facilities and the business in connection therewith in an efficient manner and at a reasonable cost.

(c) *Books and Records.* The Borough will, while the Bonds remain outstanding, keep proper and separate accounts and records in which complete and separate entries shall be made of all transactions relating to the Port Facilities, and it will furnish the original purchaser or purchasers of the Bonds or any subsequent owner or owners thereof, at the written request of such owner or owners, complete operating and income statements of the Port Facilities in reasonable detail covering any fiscal year, showing the financial condition of the Port Facilities and compliance with the terms and conditions of this Resolution, not more than 120 days after the close of such fiscal year, and it will grant any owner or owners of at least 25% of the outstanding Bonds the right at all reasonable times to inspect the entire Port Facilities and all records, accounts and data of the Borough relating thereto. Upon request of any owner of any of said Bonds, it will also furnish to such owner a copy of the most recently completed audit of the Borough's accounts.

(d) *Resolution a Contract.* This Resolution shall constitute a contract with the registered owners of the Bonds, and upon any default hereunder, said owner shall have the right to institute a mandamus action in any court of competent jurisdiction to compel performance by the Borough in accordance with the terms of this Resolution.

(e) *Tax Covenants.* The Chief Fiscal Officer is an officer of the Borough whose duties include the holding of such hearings as may be required under the Code in order to assure the tax exempt status of the Bonds. The Chief Fiscal Officer will hold a public hearing on the issuance of the Bonds for the Private Activity Components, pursuant to published notice in a newspaper of general circulation in the Borough. The Borough covenants to undertake all actions required to maintain the tax-exempt status of interest on the Bonds under Section 103 of the Code as set forth in the Federal Tax Certificate(s) that will be executed at the closing for the Bonds.

The Borough has not designated the Bonds as “qualified tax-exempt obligations” under Section 265(b)(3) of the Code for banks, thrift institutions and other financial institutions.

### **Section 15. Future Parity Bonds.**

(a) *Conditions upon the Issuance of Future Parity Bonds.* As long as the Bonds remain outstanding, the Borough hereby further covenants and agrees that it will not issue any obligations having a lien on the Port Enterprise Fund Revenues prior to the lien thereon of the Bonds and further that it will not issue any Future Parity Bonds except in accordance with the conditions of this Section 15. The Borough hereby reserves the right to issue additional revenue obligations, which shall constitute a charge and lien upon the Port Enterprise Fund Revenues equal to the lien thereon of the Bonds. Except as provided in subsection (b) below, the Borough shall not issue any series of Future Parity Bonds or incur any additional indebtedness with a parity lien or charge on Port Enterprise Fund Revenues (*i.e.*, on a parity of lien with Parity Bonds at the time outstanding) unless:

(1) the Borough shall not have been in default of its Rate Covenant for the immediately preceding fiscal year;

(2) The resolution authorizing the issuance of such Future Parity Bonds shall provide that the Reserve Requirement shall be funded no later than the date of delivery of the Future Parity Bonds and shall include the covenants set forth in Section 14 of this Resolution (including the tax covenant, to the extent applicable); and

(3) there shall have been filed a certificate (prepared as described in subsection (c) or (d) below) demonstrating fulfillment of the Parity Requirement, commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued no longer will be paid from the proceeds of such series of Future Parity Bonds.

(b) *No Certificate Required.* The certificate described in the foregoing subsection (a)(3) shall not be required as a condition to the issuance of Future Parity Bonds:

(1) if the Future Parity Bonds being issued are for the purpose of refunding outstanding Parity Bonds and the annual debt service requirements for each year in which Parity Bonds are then outstanding are not increased as a result of the refunding; or

(2) if the Future Parity Bonds are being issued to pay costs of construction of facilities of the Port Facilities for which Parity Bonds have been issued previously and the principal amount of such Future Parity Bonds being issued for completion purposes does not exceed an amount equal to an aggregate of 15% of the principal amount of Parity Bonds theretofore issued for such facilities and reasonably allocable to the facilities to be completed as shown in a written certificate of the Borough Representative, and there is delivered a Consultant's certificate stating that the nature and purpose of such facilities has not materially changed.

(c) *Certificate of the Borough Without A Consultant.* If required pursuant to the foregoing subsection (a)(3), a certificate may be delivered by the Borough (executed by the Borough Representative) without a Consultant if Port Enterprise Fund Revenues for the Base Period (confirmed by an independent auditor) conclusively demonstrate that the Parity Requirement will be fulfilled commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued will not be paid from the proceeds of such series of Future Parity Bonds.

(d) *Certificate of a Consultant.* Unless compliance with the requirements of subsection (a)(3) have been otherwise satisfied (as provided in (b) or (c) above), compliance with the Parity Requirement shall be demonstrated conclusively by a certificate of a Consultant.

In making the computations of Port Enterprise Fund Revenues for the purpose of certifying compliance with the Parity Requirement, the Consultant shall use as a basis the Port Enterprise Fund Revenues for the Base Period. Such Port Enterprise Fund Revenues shall be determined by adding the following:

(1) The historical Port Enterprise Fund Revenues of the Borough for any 12 consecutive months out of the 30 months immediately preceding the month of delivery of the Future Parity Bonds being issued as determined by a Consultant; and

(2) The estimated annual revenue to be derived from any additional fees and charges that have been established by the Assembly as new Port Enterprise Fund Revenues that have not been previously included in any of the sources of net revenue described in this subsection (d).

(e) *Subordinate Lien Obligations.* Nothing herein contained shall prevent the Borough from issuing revenue bonds or other obligations which are a charge upon the Port Enterprise Fund Revenues junior or inferior to the payments required by this Resolution to be made out of such Revenue to pay and secure the payment of any outstanding Parity Bonds.

(f) *Refunding Obligations.* Nothing herein contained shall prevent the Borough from issuing revenue bonds to refund maturing Parity Bonds for the payment of which moneys are not otherwise available.

**Section 16. Lost, Stolen or Destroyed Bonds.** In case a Bond shall be lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new Bond of like amount, date and tenor to the owner thereof upon the owner's paying the expenses and charges of the Bond Registrar

and the Borough in connection therewith and upon his filing with the Bond Registrar and the Borough evidence satisfactory to both that such Bond was actually lost, stolen or destroyed and of his ownership thereof, and upon furnishing the Borough and the Bond Registrar with indemnity satisfactory to both.
