Dear Helen P. O'Connell,

Thank you so much for allowing Skagway to host your Royal Caribbean President's Cruise during June 2022. It was a success that highlighted a bright future between RCCL and the Municipality of Skagway.

Your continued partnership with the community and specifically your generous financial contribution of \$75,000 will allow Skagway to refurbish a new senior facility and operate a new senior services program.

Royal Caribbean Cruise Lines investment will bring into fruition a long sought-after community project which will provide the seniors a space of their own.

The Municipality of Skagway looks forward to hosting RCCL this summer and for many years to come.

Sincerely,

Andrew Cremata
Mayor, Municipality of Skagway
