Re: Dahl Memorial Clinic Board Report

Honorable Mayor Cremata and Assembly,

**Steiner contract continuation:**

At our meeting on March 23, the Board approved a contract extension to November 30, 2023 with Thomas Steiner. It was noted in discussion that this expense is already included within the approved FY2023 budget through the end of the fiscal year.

The Board requests that the Assembly consider approval of this extension at your next scheduled meeting.

Sincerely,  
jeremy simmons  
DMC Board President
