RE: Test Pile at South End of Ore Dock Terminal Peninsula

Dear Mr. Ryan:

Thank you for the opportunity to provide you with the following proposal for work to be done on the Ore Dock Terminal Peninsula. Hamilton Construction, LLC (HCL) can do the Mob/De-Mob of all equipment and materials needed as well as provide the equipment and materials needed for working with PDA Testing program.

HCL can do the Mob for \$28,500.00, this includes 5 24" splices, with a De-Mob of \$10,000.00 and provide 1 36" by 100' pipe piling for \$10,000.00. For \$14,500.00 per day rate, we can provide all the heavy equipment, welding equipment, piling splicing, diesel hammer, vibratory hammer and crane.

Please let us know as soon as possible for scheduling purposes.

Sincerely,

Jeff Hamilton
