Subject: Bobcat Quote

Brad/Emily,

Please see attached Bobcat quote. The new bobcat will replace the existing bobcat for use at the incinerator and new Transfer Facility. At some point we'll have to get another one when the Incinerator gets redone and we're operating at both facilities. The existing bobcat is 25 years old and is pretty worn out, but will still be used for certain tasks at the incinerator such as cleaning the ashpit to reduce wear on the new equipment.

Thanks,
Tyson
