Re: Dahl Memorial Clinic Board Report

Mayor Cremata and Assembly,

**Resolution 23-27R:**

At its meeting on August 24, the Board appointed Lisa Mandeville to the Executive Director Selection Committee established by Resolution 23-27R. However, in the Assembly's adoption of this resolution, there was no consequent action regarding the Executive Director Search Committee established in Skagway Municipal Code 3.17.055 to perform essentially the same function. The Board requests clarification as to how the Assembly intends for these two committees to interact.

Sincerely,  
jeremy simmons,  
DMC Board President
