Subject: SERV-U Quotes

Hi Emily,

Attached are two quotes for the SERV-U motors and controls replacement. Brad and I went over the quotes and would like to recommend going with the lower quote from Karl's Auto and Marine located in Juneau for the amount of \$65,326.17. This is an unexpected expense and is not budgeted for, so a budget amendment to the FY23 Fire Department operating budget would be needed. The SERV-U is the only marine emergency response vessel MOS has and it is currently out of service. The current motors are going on 20 years and have served their useful life for an emergency response vessel.

Thanks,

Tyson Ames
