3.01.090 Assembly standing committees.

A. Committee Appointments. The assembly standing committees shall consist of the civic affairs committee, the finance committee, the health, education and welfare committee, the parks & recreation committee, the public safety committee, the public works committee. Each committee shall consist of 3 assembly members. ==Within thirty (30) days after the annual election of members of the assembly, the mayor shall appoint standing committees of the members of the assembly. Any appointment may be vetoed by majority vote of the assembly.== Each committee may call meetings as often as necessary to address issues brought forward by a member of the public, administration, a department, the mayor or any assembly member. All meetings are open to the public and shall be posted no less then 24 hours prior to the meeting. The assembly standing committees are treated as work sessions and do not require recorded minutes. The assembly standing committees shall bring recommendations forward to the assembly during regular or special meetings for consideration and action by the assembly.

1. Civic Affairs Committee. The civic affairs committee is tasked with addressing broad issues such as town signage, the street addressing system, and such other tasks assigned by the mayor from time to time. The civic affairs committee is also tasked with review of the Skagway visitor department budget during the annual budget cycle.

2. Finance Committee. The finance committee is tasked with addressing issues related to finance such as payment of accounts, income and expense reports, land fund issues, and such other tasks assigned by the mayor from time to time. The finance committee is also tasked with review of the land fund and bond fund during the annual budget cycle.

3. Health, Education and Welfare Committee. The health, education and welfare committee is tasked with addressing issues related the clinic, schools and such other tasks assigned by the mayor from time to time. The health, education and welfare committee is also tasked with review of the library, museum and clinic department budgets during the annual budget cycle.

4. Parks & Recreation Committee. The parks & recreation committee is tasked with addressing issues related to parks, trails, playgrounds, recreational use areas such as 7-Pastures Ball Fields and such other tasks assigned by the mayor from time to time. The parks & recreation committee is also tasked with review of the Skagway Recreation Center and the parks & rec. division of Public Works budgets during the annual budget cycle.

5. Public Safety Committee. The public safety committee is tasked with addressing issues related to fire, EMS, police, traffic, parking and such other tasks assigned by the mayor from time to time. The public safety committee is also tasked with review of the fire and police department budgets during the annual budget cycle.

6. Public Works Committee. The public works committee is tasked with addressing issues related to building infrastructure, water, sewer and refuse collection and infrastructure, streets, sidewalks, harbor and such other tasks assigned by the mayor from time to time. The public works committee is also tasked with review of the public works department and harbor department budgets including the enterprise funds for water, sewer, garbage and harbor during the annual budget cycle.
