

Municipality of Skagway

MEMO

TO:	Mayor and Borough Assembly
FROM:	Brad A. Ryan
DATE:	Jan 17, 2024
SUBJECT:	Rockfall Safety Work Winter 2023

Shannon & Wilson Geotechnical and Environmental Consultants have sent me a proposal with the goal of ensuring cruise ship operations on the Railroad Dock are safe for the 2024 season. I recommend the Assembly approve the proposal that is enclosed in your packet. The primary goal of the proposal is to guarantee safety and maintain operations at 2023 levels, while the Municipality of Skagway waits for the BRIC grant to be processed. If the Assembly approves the proposal, I intend to request that our CAPSIS grant funds cover this scope of work. In the event that CAPSIS does not permit this expenditure, there are sufficient funds available from the Port of Skagway to cover the cost.
