

November 14, 2023

Mayor Bass and Assembly,

I am writing to again express my willingness to serve on the Dahl Memorial Clinic Board of Directors.

I have not stated this publicly yet, so I do so here, in light of my vote regarding Mr. Wall during our November 6th, 2023 clinic Board meeting:

I recognize and will support the decision of the Board in the hiring of Mr. Wall as Executive Director. I recognize that I am only one Board member, with one vote, on a Board of nine voting members.

I will welcome and support Mr. Wall in my role as Board member to the best of my ability and as time permits.

Thank you,

Lisa Mandeville
