## STATEMENT FROM MAYOR CREMATA

January 7, 2022

It was with sadness that we received the news of the passing of Edward B. Rasmuson on January 4, 2022, after a year-long battle with brain cancer. On behalf of the Municipality of Skagway and the Skagway community, I would like to offer our deepest condolences to Ed's family.

Ed served as chair of the Rasmuson Foundation board of directors for more than two decades, during which time the Foundation was integral in the construction of Skagway's library addition, the construction of the new clinic, the acquisition of the Rapuzzi Collection, studies for the development of a senior center, and more.

Skagway will remember with appreciation Ed's role in fostering projects that had a lasting impact and continue to benefit the community. Our hearts are with Ed's family at this difficult time.

Mayor Andrew Cremata
