## **Public Notice RE: Pfizer COVID-19 Vaccine for Children Aged 12-15**

Per State and CDC notification, DMC can now vaccinate children aged 12-15 with the Pfizer vaccine. Vaccinations for this age group will start next week. The second shot of the series occurs at least 3 weeks after the first. A parent must accompany the child being vaccinated.

For more information:

The State of Alaska DHSS press release can be found [here](#).

A COVID-19 Vaccine for Youth informational discussion by DHSS can be found on Facebook [here](#).

A COVID-19 Vaccine discussion for youth by youth is happening tonight, Thursday, May 13<sup>th</sup>, at 6:30pm. The Zoom link can be found [here](#).

These links will also be posted to the clinic's Facebook page.

If you have questions about the Pfizer vaccine for your 12-15 year old child or to place your child on the waitlist please call the clinic at (907) 983-2255 or email [clinicinfo@skagway.org](mailto:clinicinfo@skagway.org).
