Public Notice RE: Clinic COVID Testing

DMC is experiencing high COVID testing traffic due to the increase in COVID positive cases and the increase in traffic through the Canadian border. Because of these increases, DMC must prioritize COVID testing. To accommodate this, DMC will schedule COVID tests as follows:

Testing to travel through the Canadian border:

Monday-Friday 9am – 11:30am

Symptomatic and close contact:

Monday-Friday 9am-4pm

The clinic will continue billing patient insurance and absorbing the patient cost share for COVID tests until September 1. HRSA will cover the patient cost share of COVID tests for uninsured patients.

Testing at STC/SEARHC is available Tuesday and Thursday from 4:30pm to 7pm. If more testing becomes available an update will be posted on social media.

DMC encourages community members, whether vaccinated or not, to social distance, wear a mask in public settings where social distancing is not possible, wash or sanitize your hands, and call the clinic for testing if you are sick.

For more information or if you have any questions, please call the clinic at (907) 983-2255 or email clinicinfo@skagway.org.
