COVID-19 SHELTER-IN-PLACE TIMELINE EXTENDED

Skagway, Alaska, April 1, 2020 – The Municipality of Skagway (MOS) is working diligently to prevent the spread of COVID-19 in the community. At this time there are no known cases in Skagway. To date the Dahl Memorial Clinic (DMC) has tested 6 individuals. Five samples have come back negative and one sample is pending.

Recently, the Skagway Assembly enacted Resolution No. 20-11R mandating that people within the Municipality of Skagway Borough shelter-in-place. This order is being extended to follow the State of Alaska's mandate to be reevaluated on or before April 11, 2020. This order limits activity, travel and business. These actions are being taken to prevent the rapid spread of COVID-19.
