PUBLIC RESTROOMS AND OUTHOUSE CLOSURES

Skagway, Alaska, April 14, 2020 – Maintaining the safety of our community and municipal staff is a top priority for the Municipality of Skagway. As part of our efforts to mitigate the spread of COVID-19 all public restrooms and outhouses will be closed in Skagway and Dyea beginning Wednesday, April 15, 2020. The challenge of ensuring these facilities are adequately cleaned and sanitized for users is too great and the danger of potential exposure to our community and maintenance staff, even greater. We ask our community to please plan accordingly when you are out recreating on our local trails by using the bathroom before leaving home and follow the “leave no trace” principal.
