### **MUNICIPAL FACILITY CLOSURE UPDATE**

***Skagway, Alaska, April 27, 2020*** – On April 22, 2020 the Municipality of Skagway relaxed some of the shelter in place requirements in accordance with Governor Dunleavy's plan to reopen Alaska. While most non-essential businesses can reopen with safeguards in place, the MOS will continue to keep municipal facilities closed to the public through at least, May 15, 2020. These modified operations are to ensure the safety and well-being of our entire community. We ask that everyone continue to follow the social distancing guidelines, wear masks in public, practice good hygiene and be respectful of your neighbors. Your efforts have allowed us to maintain **zero** confirmed cases in our community and with your continued support we will continue to flatten the curve. Thank you to everyone for your contributions to the well-being of the community.
