SECOND POSITIVE COVID-19 CASE IN SKAGWAY

Skagway, Alaska, July 28, 2021 (4:30 p.m.) – A second positive COVID-19 case has been identified in Skagway. The community member is isolating, and the State of Alaska DHSS is conducting contact tracing. The Municipality will issue an additional press release when contact tracing is complete.

Individuals should immediately contact the Clinic at 907-983-2255 during regular business hours or the on-duty provider at 907-983-2025 after hours if they develop cold or flu symptoms, shortness of breath or difficulty breathing, chest pressure or tightness, fatigue, muscle or body aches, headache, or loss of taste or smell.

Face coverings will be required in all municipal buildings until further notice. The Municipality of Skagway recommends that the community limit contact, maintain social distancing, wear cloth face coverings, and practice regular handwashing.
