

# Skagway Health Needs Assessment Survey

Date: April 22, 2021

**Return by: May 31, 2021**

## **Purpose:**

The Dahl Memorial Clinic has designed this survey in order to examine and improve our services. The information collected from this survey will be used in completing the Health Resources and Services Administration (HRSA) Community Health Center Grant. This grant will help the Dahl Memorial Clinic to increase services while potentially providing financial assistance to our low-income patients. At the same time, it could assist in lowering the Municipality subsidy to the clinic. It is important that we know what the community needs and wants as far as health care in Skagway. **By completing this survey and returning it, you can help improve health care in Skagway!**

All surveys are confidential and will only be used for collecting the data needed to assess the overall health care needs of the community. To ensure that your answers and opinions remain anonymous, **DO NOT** place your name, signature, or any identifiable information on the survey. If your household consists of more than one adult who would be interested in completing the survey, then additional survey forms may be obtained from Skagway City Hall, the Skagway Public Library, or Dahl Memorial Clinic.

Please answer as many questions as you feel comfortable. If you do not feel comfortable answering certain questions, then please leave those questions blank. This survey will take approximately 20 minutes to complete. Thank you for your assistance and we appreciate your honesty.

## **Returning Survey:**

You may use any of the following methods to return the completed survey:

- Place completed survey in the self-addressed stamped envelope provided and place it in the mail.
- If you have misplaced the self-addressed envelope, mail the survey to:  
Dahl Memorial Clinic  
PO BOX 537  
Skagway, AK 99840
- Submit the survey to any of the following drop locations:
  - Dahl Memorial Clinic
  - Skagway City Hall
  - Skagway Public Library
