Eligibility Requirements for Unincorporated Communities Located Within Boroughs and Unified Municipalities

Alaska Statutes AS 29.60.865 – .879 and Alaska Administrative Code 3 AAC 180.010

Sec. 29.60.865. Eligibility requirements for reserves and communities.

(a) The department, with advice from the Department of Law, shall determine whether there is in each community or reserve an incorporated nonprofit entity or a Native village council that will agree to receive and spend the community assistance payment. If there is more than one qualified entity in a reserve or community in the unorganized borough, the department shall pay the money to the entity that the department finds most qualified to receive and spend the money on behalf of the reserve or community. The department may not make a community assistance payment to a Native village council unless the council waives immunity from suit for claims arising out of activities of the council related to the payment. A waiver of immunity from suit under this section must be on a form provided by the Department of Law. If there is no qualified incorporated nonprofit entity or Native village council in a reserve or community that is willing to receive the community assistance payment and use the payment on behalf of that reserve or community, the payment for that reserve or community may not be paid. Neither this section nor any action taken under it enlarges or diminishes the governmental authority or jurisdiction of a Native village council.

(b) The department may make a community assistance payment on behalf of a community in a borough or unified municipality only to the municipality for payment by the municipality to an incorporated nonprofit entity or Native village council that has been approved by the assembly and meets the requirements of (a) of this section. The department shall have written evidence of the assembly approval. If there is more than one qualified entity in a community in a borough or unified municipality, one of the entities may receive the entire payment, or the payment may be shared between two or more of the qualified entities, as determined by the assembly.

(c) A community in a borough or unified municipality is eligible for a community assistance payment only if at least three of the following services are generally available to all residents of the community and each of the three services, in any combination, are provided by one or more qualifying incorporated nonprofit entities or a Native village council or are substantially paid for by the residents of the community through taxes, charges, or assessments levied or authorized by the borough or unified municipality:

- (1) fire protection;
- (2) emergency medical;
- (3) water and sewer;
- (4) solid waste management;
- (5) public road or ice road maintenance;
- (6) public health;
- (7) search and rescue.

Sec. 29.60.879. Definitions.

In AS 29.60.850 - 29.60.879

(1) "community" means a place in the unorganized borough, in a borough, or in a unified municipality that is not incorporated as a municipality, that is not a reserve, and in which 25 or more individuals reside as a social unit;

(2) "reserve" means a place that is organized under federal law as an Indian reserve that existed before enactment of 43 U.S.C. 1618(a) and is continued in existence under that subsection.

3 AAC 180.010(b) and (c)

(b) In addition to making the certification and agreement on the form provided under (a) of this section, a borough or unified municipality that will receive community assistance payments on behalf of communities in the borough or unified municipality must

(1) submit to the department a resolution adopted by the assembly that clearly identifies

(A) the communities that the borough or unified municipality has determined meet the eligibility criteria under AS 29.60.865, 29.60.879, and 3 AAC 180.110; and

(B) the village council or incorporated nonprofit entity located within each community listed under (A) of this paragraph that the borough or unified municipality has approved as the recipient of the community assistance payment; and

(2) certify that at least three of the services required under AS 29.60.865(c) are generally available to all residents of the community.

(c) In addition to making the certification and agreement on the form provided under (a) of this section and receiving any identification required under (b) of this section, a reserve or village council must submit to the department a waiver of sovereign immunity in accordance with AS 29.60.865(a) and 3 AAC 180.130.
