

## Housing Work Session

  - A. Lots east of LDS Church
  - B. Possible land sale of property at long bay
    - Keep beach public and sell land where Matthews cabin is
  
2. **Change zoning ordinances** regarding Light Industrial areas east of Broadway to allow more usage of property, lot line restrictions, etc.
  
3. **Garden City:**
  - Improve the area one half-block at a time (ex. 17<sup>th</sup> Street to the south alley, do water and sewer for those six lots only. The following year or later improve the next six lots)
