USER AGREEMENT AND CONDITIONS

This permit allows the permittee to conduct commercially oriented activities at the vessel of such owner, operator, master or managing agent, or within the port, provided that such activities may not in any way interfere with the normal use of the Port by other users of the facility. The borough assembly may, by resolution, set additional terms and conditions for the issuance of such permits. The issuance of a permit under this section shall not in any manner reduce or replace any other requirement for permits or licenses but shall be in addition to such other permits or licenses.

Permits are good for one (1) year and are not renewable. A new application must be submitted each year. The Port Director may terminate the permit for any breach of the provisions of this permit, Tariff No. 3 and/ or S.M.C Title 12 & Title 19.
