

SRC BOARD MEETINGS – DIRECTORS REPORT

May 24th, 2023

KayLynn Howard -SRC Director

- Community Rummage Sale
 - This was a huge success! We only filled 1.5 dumpsters with waste, charging for drop offs has decreased the amount of waste brought for the sale. Much of the leftover items were also able to be donated to various entities either in SE Alaska, Whitehorse, or even to the Ukraine.
 - We raised \$6,337.50 from the rummage sale for our Recreation Programming Fund.
- Facility Hours
 - Beginning June 1st we will extend our weekend hours, Saturday and Sunday we will be open 10:00am-6:00pm. I anticipate this change for June & July – August as well should staffing allow.
- Community Garden
 - I am very excited to have the opportunity to have the Skagway Community Garden under the Rec Center now! We held a volunteer day on Saturday May 20th and had 16 volunteers come out to help tend the land. It is our plan to have 4 more volunteer events at the new site throughout the summer. This new site of the garden will have garden plots and a lovely green space for community members and visitors to enjoy.
- Skagway Pride Month
 - We were asked to host an event for Pride month in June and have settled on a **Rainbow Roll** – a roller skating party for all ages to come enjoy!
 - Event will be Friday June 16th from 7:00-9:00pm
 - Aaron Thompson, a seasonal rec employee, is heading the charge on the planning of this special event. Aaron is also a member of the Pride planning committee.
- Summer Camp
 - Camp starts Monday June 5th – the staff have been working very hard to set the schedule with fun and enriching events for Skagway youth.
