Welcome to **Skagway, Alaska**

Located on traditional Tlingit land and nestled between North America's deepest fjord and the Coastal Mountain Range, a magical place called Skagway, Alaska awaits your arrival. Whether you come for a summer adventure or are seeking a safe, nurturing community to

Photo by Willeke van de Hoorn

raise your children, Skagway offers an amazing array of nature, outdoor and sports activities, as well as educational, cultural, entertainment and dining opportunities.

Tourism is the mainstay of Skagway's economy. As a major Alaskan cruise ship destination, and one of 3 communities in Southeast Alaska with road access to the lower 48 and Canada, Skagway can see over one million visitors each summer.

From May through September, Skagway enjoys the highest employment rates in the state. More shops and services are open and for longer hours. Making after work adventures & socialization a part of your life is easier in the extended daylight hours.

With the departure of the last cruise ships in mid-October, our bustling town transitions to the peacefulness of winter. Residents enjoy reconnecting with neighbors through school & community activities.

We are a community where people still look out for one another, where you can rely on the honesty and kindness of your neighbors. Skagway is home to many volunteer organizations, which aid our residents in a variety of ways. We invite you to get involved and be a part of our community!

Getting Here

By Land

Skagway is one of 3 communities in Southeast Alaska with road access. The South Klondike Highway connects with the Alaska Highway in the Yukon Territory. When driving to Skagway, you will cross the US/Canadian border. In order to cross the border, **you must have one of the following:**

- Passport or US Passport card
- Trusted Traveler card (NEXUS, FAST, SENTRI or Global Entry)
- Enhanced Driver's License

US citizens ages 15 and under arriving by land may present an original birth certificate or copy of his or her birth certificate (issued by the Vital Records Department in the state where he or she was born). If both parents are not traveling with the child, it is recommended that you carry a consent letter from the parent not present at the border crossing. It should include the parent's or legal guardian's full name, address and phone number. Some travelers choose to have the consent letter notarized.

Dogs, cats and other animals need to have a current rabies certificate. Birds need a special permit. There are restrictions on foods and other items you can bring across the border.

Bikes

One of the most efficient ways to get around in Skagway is by bicycle. In the busy summer, it can be faster than driving! Bike racks are available in many downtown locations. Locking your bike is recommended as bikes do sometimes take off without their owners. They are usually found again, but why take the risk? Bikes can be registered with the Police Department.

You can ship your bicycle up to Skagway or purchase one here. Bikes are available for rent and purchase at Sockeye Cycle, located at 305C 5th Avenue. Electric Bikes are available for rent at Klondike Bikes at 398 5th Ave. The Skagway Hardware Store also carries bikes. Post on Skagway Facebook groups like Skagway Swap or Bulletin Board to find a used bike. Occasionally, the Police Department has a bike lottery to distribute abandoned bicycles. The Skagway Public Library has a free use bike maintenance station.

Parking

Parking is limited in the downtown area. Check parking signage for restrictions when parking downtown. Your best option is to use the free public lots on 2nd & Spring or at 1st & State.

Housing

Finding housing is one of the biggest challenges in moving to Skagway. There is a chronic housing shortage in the area. Property owners are building more units every year, but they fill up quickly. Quality housing is particularly rare and prices tend to be comparable with Seattle or other large urban areas. Occasionally, landlords will advertise available housing in the Skagway News, but usually you have to seek them out. Posting your housing request in select social media or community notice boards is a good way to spread the word about your housing need.

Skagway Facebook Groups

There are many Skagway Facebook groups. Due to the size of their memberships, the ones listed here are your best chance to make housing connections.

Skagway Swap

Skagway Bulletin Board

Community Notice Boards

The most widely viewed boards are listed here. For a complete list, see *Communications* on page 26.

Employee Housing

If you are coming to Skagway for your first summer, finding an employer who provides housing may be your best option. Keep in mind, employee housing usually means sharing kitchen and bathroom facilities. You may even share a bedroom with a co-worker. It can be a fun adventure and a great way to make friends, but it's not for everyone.

Employee housing varies from nice apartments or rooms in a house to trailers. It is wise to ask your future employer about the living conditions before you arrive. Once you are here, the chances of finding alternative housing is extremely rare.

Skagway Hardware Store: 400 Broadway Street. Sells seeds & other gardening supplies.

Restaurants

Skagway is home to a wide variety of quality restaurants. During the summer, places fill up quickly around lunchtime, so it is wise to plan ahead. Many restaurants post their menus in their windows and list specials on their Facebook pages. Most will prepare to go orders. There is a book of menus from all the restaurants at the AB Hall Visitor Center, so you can check out their offerings all at once!

Offers therapy for individuals, couples & families.

Filling Prescriptions

As of 2022, there is not a pharmacy located in Skagway. If you take medication regularly, it is wise to bring a couple month's supply with you when you first come to Skagway.

Some medicines can be dispensed at the Dahl Memorial Clinic by the providers with an office visit. The DMC cannot fill prescriptions written by other medical providers. There are pharmacies in Juneau who will ship to Skagway if your physician calls in your prescription. The clinic can provide you with an information sheet on how to arrange for prescriptions to be shipped to you in Skagway.

Over the Counter Medications

Simple first aid items, non-prescription medications & herbal supplements are available at:

Dahl Memorial Clinic: 300 14th Avenue (No herbal supplements available)

AC Fairway Market: 303 State Street

Grizzly's General Store: 305A 5th Avenue

Pregnancy

Being pregnant in Skagway provides some unique challenges. Check your insurance plan to see what is and isn't covered for travel and out-of-area/out-of-state providers. **Denali KidCare** offers assistance for those meeting income guidelines. <http://dhss.alaska.gov/dpa/Pages/dkc/default.aspx>

Prenatal checkups, testing and ultrasounds can be done at the Dahl Memorial Clinic. Regular deliveries are not performed in Skagway. Your DMC provider will assist with the referral to an obstetrical provider in your location of choice. Caregivers recommend leaving Skagway to be closer to the facility you have chosen for your delivery 3 weeks before your due date and suggest you stay in town at least a week after the baby is born in case of complications. Plan ahead as this can be one of the costliest parts of your delivery. Once your baby has arrived and you are home in Skagway, checkups and immunizations can be done at the Dahl Memorial Clinic.

For families wanting to deliver in Alaska the most common options are:

Juneau AK: No NICU

- **Juneau Family Health and Birth Center:** www.juneaubirthcenter.org 907-586-1203
- **Bartlett Regional Hospital:** www.bartletthospital.org 907-796-8900
Bartlett is the closest hospital with labor and delivery services.

Anchorage AK: Both hospitals in Anchorage have a NICU. Birth centers and independent midwives

Medical Financial Aids & Services

As we all know, getting to and receiving medical care can be expensive. Fortunately, Skagway has some resources to assist you in reducing your medical costs.

DMC Clinic Sliding Scale: <http://www.dahlclinic.org/sliding-fee-scale>

DMC is a Federally Qualified Health Center (FQHC) and serves all patients regardless of ability to pay. Information and application forms for the clinic's Sliding Fee Scale program are available on their website. DMC also has 2 employees on staff to offer free assistance with Medicare/Medicaid applications or Healthcare Marketplace.

Skagway Ambulance Subscription:

<https://www.skagway.org/fire/page/ambulance-subscription-application-weblink> The Municipality of Skagway offers a local Ambulance Subscription Service. Subscriptions run January 1-December 31. As of FY22, costs are \$10 for an individual, \$25 for a family. Given that Skagway ambulance fees start at \$600, the subscription is a wise investment and helps our local volunteers! Subscription forms are available on the Municipal website or at <http://www.sgyfire.org/ambulance-subscriptions>

Medevac Insurance

If you require immediate medical assistance beyond what the DMC can offer, you will be transported via air medical transport to Juneau, Anchorage or Seattle. The location depends on the medical condition and availability of services. With the exception of heart issues or head traumas, Bartlett Hospital in Juneau can handle most medical conditions.

Emergency air medical transportation is expensive – **VERY EXPENSIVE**. Fortunately, the emergency medical air lift companies which service Skagway offer annual memberships which greatly reduce the costs. Unfortunately, you cannot guarantee which one will be available at the time you may need assistance, so it is wise to purchase memberships with both services if you want be certain you are covered.

AB Mountain Rifle Range

Daily, monthly and annual use permits are available through the Police Department. 308 17th Avenue.

Biking

One of the most efficient ways to get around in Skagway is by bicycle. In the busy summer, it can be faster than driving! Bike racks are available on many corners in the downtown area. Locking your bike is recommended as bikes do sometimes take off without their owners. They are usually found again, but why take the risk? Bikes are available for rent and purchase at Sockeye Cycle at 305C 5th Avenue. The Skagway Hardware Store occasionally carries bikes for sale and can special order them for you.

BMX Bike Course: Located at Seventh Pasture, between the 2 ball fields.

Bowling: There is a 2-lane bowling alley in the Elks Club at 560 State Street. Must be a member or guest to bowl.

Cornhole League at Happy Endings Saloon: 444 4th Avenue.

Disc Golf: Volunteer built & located in the woods south of Seventh Pasture.

Fishing: Alaska Department of Fish & Game fishing licenses are available online at <https://www.adfg.alaska.gov/index.cfm?adfg=license.main>

British Columbia fishing licenses: <https://www2.gov.bc.ca/gov/content/sports-culture/recreation/fishing-hunting/fishing/recreational-freshwater-fishing-licence>

Moving your pet to Skagway

Traveling with your pet

Both the USA and Canadian Customs require dogs to have a current, valid rabies vaccination certificate to cross the border. For more information on entering the US with pets, visit:

<https://www.aphis.usda.gov/aphis/pet-travel/>

Pet carriers and current health certificates are required for transporting pets into the state via air and on the state ferry (AMHS).

Alaska Airlines Animal policy: <https://www.alaskaair.com/content/travel-info/policies/pets-traveling-with-pets.aspx?lid=nav:info-pets>

AMHS Animal Policy: <http://www.dot.state.ak.us/amhs/policies.shtml>

Veterinarian Services

Regular medical care for your pet takes a bit more planning when you are in Skagway. As of 2022, Skagway does not have a resident veterinarian. The closest vet services are in Juneau or Whitehorse. Paws & Claws Animal Shelter assists with coordinating visiting Veterinarians. To find when the next Veterinarian is coming to Skagway, contact Katherine Moseley of Paws & Claws at 907-612-0415.

If your animal requires regular medication, it is advisable to pack several months' supply if you are moving to Skagway.

Licensing & Legalities

Dogs over six months of age are required to have and display an annual dog license. Licenses are available at the Skagway Police Department at 308 17th Avenue.

Municipal Code on Animals : <https://www.codepublishing.com/AK/Skagway/#!/Skagway06/Skagway06.html>

Additional regulations on having animals in Skagway can be found in the Skagway Municipal Code.

Paws & Claws Animal Shelter: (907) 612-0727

Their mission is to provide compassionate care for homeless animals until adoption can be facilitated, encouraging humane and responsible pet ownership & preventing cruelty to animals. Shelter volunteers assist in bringing traveling vet services and animal trainers to Skagway. They may be able to lend animal carriers for emergency animal transportation.

Shipping Information

United States Postal Service (USPS): 641 Broadway Street

USPS is generally the fastest and cheapest way to ship items to and from Skagway. Mail must be picked up at the Post Office. They do not offer home mail delivery. You may want to look into getting a Post Office Box for the season or ask your employer if you can have items shipped to their PO Box.

Alaska Marine Lines: www.lynden.com/aml

Operates a weekly barge between Seattle and Skagway. This is a cost-effective way to ship heavy or bulky items.

UPS

Located in the airport terminal, Alaska Seaplanes is the local drop off location for UPS. To ship out items via UPS, you must have a preprinted label. AK Seaplanes does not provide them.

****FEDEX****

Does not deliver directly to Skagway!

Items shipped via FedEx are flown to Sitka or Anchorage, then placed in the US Postal System for delivery to Skagway. The cost tends to be high and delivery usually takes far longer than shipping directly through USPS. FEDEX packages can be shipped out via Alaska Seaplanes with additional shipping costs.
