

The 2021 Visitor Arrival Schedule is here!

2021 is shaping up to be a good mix of independent travelers and cruise passengers. Different from most annual cruise ship schedules, this year we are highlighting ferry service, water taxi service and other visitor arrivals. The daily visitor numbers are estimates based on the latest information we have as of June.

We hope you find this calendar useful to your operation. It is important to note that changes do occur throughout the season. Keep up to date on ship schedule changes by signing up for our Community Notification & Newsletter emails.

The Visitor Center is open seven days a week during the summer. Stop in or call if we can help you in any way to prepare for the upcoming season. Good luck and best wishes for another successful summer.
