2022 SKAGWAY VISITOR ARRIVAL SCHEDULE

The 2022 Visitor Arrival Schedule is here, and it will be a busy summer!

We understand that it will be an adjustment after two seasons that did not yield visitors numbers like we are historically used to. And this summer will have its own unique set of challenges. The staff at the Visitor Center will do the best we can to assist guests and provide business resources and information throughout this year.

The daily visitor numbers are estimates. We hope you find this calendar useful to your operation.

It is important to note that changes do occur throughout the season. Keep up to date on ship schedule changes by signing up for our Community Notification & Newsletter.

Gunalchéesh / Háw'aa / Thank You!
