2023 SKAGWAY VISITOR ARRIVAL SCHEDULE

The 2023 Visitor Arrival Schedule is here, and we project a record setting number of cruise passengers!

Skagway's Visitor Services Industry has learned how to be resilient and flexible over the years! This summer will have its own unique set of challenges that we will work together to surmount. The staff at the Visitor Center will do the best we can to assist guests, provide business with resources and communicate relevant tourism related announcements.

The daily visitor numbers are estimates. We hope you find this calendar useful to your operation. It is important to note that changes do occur throughout the season. Keep up to date on ship schedule changes by signing up for our community notifications & newsletter.

Gunalchéesh / Háw'aa / Thank You!
